Norplex-Micarta Appoints International Operations and Engineering Manager

POSTVILLE, IA – Norplex-Micarta, the leading manufacturer of high performance thermoset composites, announces the appointment of Dustin Davis to International Operations and Engineering Manager. Mr. Davis will be responsible for Norplex-Micarta’s international supplier sourcing strategy, including foreign supplier qualification and development. Mr. Davis’ responsibilities will also include growing business in the Asian Market and furthering development of products and local supplier support systems.

Prior to his appointment, Mr. Davis worked for Bo-Witt Products, Inc. for more than six years. During his time at Bo-Witt, Mr. Davis held various positions, the most recent being Vice President of Sales and Engineering, for which he oversaw all sales, marketing, and engineering operations. Mr. Davis was also responsible for monitoring market and competitor intelligence, as well as technology advancements in the composites market. Mr. Davis holds a B.S. in Industrial Engineering from Purdue University and an MBA from Indiana University.
